Tax Department Intern

OUTFRONT Media is one of the largest outdoor advertising companies in the world, with products ranging from billboards (i.e., bulletins, posters, and walls) to mall, transit and bus advertising display faces. We operate the advertising facilities for an array of partners including the New York Subway System and Sports arenas. In the last few years, OUTFRONT Media has deployed several digital signage networks, both on traditional billboards and in other venues. Our footprint extends throughout the U.S., Canada and Mexico; and now is South America. We have operations in top 100 United States markets, 13 of the 15 largest Canadian markets and 44 of the largest 45 markets in Mexico. The OUTFRONT Media tax department offers an outstanding opportunity for a college, or graduate student to begin their professional development with our highly qualified tax team.

Responsibilities:
- Processing accounting information to produce federal, and state tax returns, including spreadsheet work papers, as well as processing quarterly estimated tax payments.
- Preparation of foreign tax reporting information for various controlled foreign corporations.
- Preparation of amended state tax returns that report the results of the Federal IRS audit.
- Assist in various tax technology, tax research, and tax accounting projects.
- Responding to various tax notices.

Ideal Candidate:
- Undergraduate Accounting Major, or Masters of Taxation Candidate.
- Solid GPA, positive attitude, works well in teams and strong work ethic.
- Juniors Welcome to Apply.
- Opportunity to work Part-time (15-20 hours weekly) during the Fall / Winter / Spring and/or fulltime during the Summer months

Compensation: $15-17/hour.
