KPMG LLP, the audit, tax and advisory firm, is the U.S. member firm of KPMG International Cooperative ("KPMG International"). KPMG is a global network of professional firms providing Audit, Tax and Advisory services. We operate in 155 countries and have more than 162,000 people working in member firms around the world.

What is Tax? Visit this link for a brief video description. [https://www.youtube.com/watch?v=T6lIeHRI100](https://www.youtube.com/watch?v=T6lIeHRI100)

Become part of a team of more than 22,000 tax professionals in KPMG’s global network, who work collaboratively with clients and colleagues in a way that we believe is different from other organizations. Drawing on the experience of our people and multi-disciplinary approach, we are able to help our firms’ clients to think beyond the present, see beyond borders and achieve long-lasting success.

At KPMG Tax you can look forward to a broad and exciting career, anchored by the concept and value of what we term ‘the modern tax professional’. You’ll be immersed in a global culture of learning, supported by some of the best training in the industry, giving you the skills and technical knowledge to succeed in this new world of tax. You’ll enjoy collaboration with a team of committed and dynamic colleagues, and be mentored by some of the leading minds in the profession, committed to your personal growth, in the organization and as a tax professional.

Our focus on global experiences means opportunities for international assignments and sharing knowledge across borders. Most of all, you’ll have every opportunity to make a genuine difference in our firms’ businesses and our organization.

**Responsibilities:**

- Assist clients in tax planning for businesses, including identifying and developing tax savings opportunities (income/franchise, payroll/unemployment, sales/use) that arise from legal entity changes and in designing specific plans to help a business address its state and local tax matters
- Analyze the state and local tax ramifications of various transactions, including mergers and acquisitions; or assisting clients with identifying and negotiating business incentives and credits available to an organization
- Stay current on state legislative, judicial, and administrative developments
Assist multi-state companies with state and local tax issues including compliance, advising, planning, and controversies
Help clients with tax issues related to income and franchise taxes
Prepare and/or review state income tax estimated payments, extensions and tax returns; working primarily at the client’s office
Assist in handling notices received from state tax authorities
Research and draft technical memoranda related to compliance issues

Qualifications:
- Bachelor of Accountancy, Master of Accountancy, Master of Taxation, JD degree with a Bachelor of Accountancy, and/or LLM degree with a concentration in tax from an accredited college/university
- Effective communication, leadership and time management skills
- Strong technical ability to help meet business objectives
- Able to work as a member of a team and strive for personal effectiveness and professionalism to maintain excellent client service
- Excellent writing, communication, and tax research skills are essential
- Demonstrated ability to perform in a high-energy team environment
- Targeted graduation dates from December 2015 through Summer 2016

KPMG offers a comprehensive compensation and benefits package. Compensation may vary based on degree and location.
