COMTO’s Careers in Transportation for Youth (CITY) Internship Program provides minority college juniors, seniors, and 1st year graduate students with a unique opportunity to gain professional and practical experience in the transportation industry. Through this 10-week paid internship program, COMTO seeks to prepare the best and brightest to become leaders, decision makers, and change agents in the industry. Interns will work, learn, and gain professional development and team-leading experience at transportation agencies or businesses, while exploring careers within the industry.
