

**Rising Pharmaceuticals – Allendale, NJ
Paid Internships**

Internships available with Growing Generic Pharmaceutical Company!

Rising Pharmaceuticals, based in Allendale, New Jersey is seeking students – Sophomore and Juniors for paid internship opportunities in the areas of Supply Chain, Sales and Marketing, and Regulatory.

A little about us:

Rising Pharmaceuticals is an industry leader in marketing and distributing niche generic prescription pharmaceutical products covering a variety of therapeutic areas and dosage forms. We are focused on the development of Abbreviated New Drug Application (ANDA) – based generic products through our global network of development and manufacturing partners and have a robust emerging pipeline of niche pharmaceutical products.

What we offer:

Rising offers a collaborative and dynamic environment where you can learn the various facets of your desired path. Because we are a lean organization, you will have an opportunity to gain practical, hands on knowledge in your field while learning from seasoned professionals in the generic pharma industry.

We are seeking students pursuing majors in the sciences as well as those who are analytical in nature. Please send resumes in confidence to HR@aceto.com.

Rising Pharmaceuticals was named as a 2016 Best Place to Work in New Jersey!
